

THE BOILER ROOM

CITY TOWER | MANCHESTER

6,000 - 19,000 SQ FT OF CREATIVE LEISURE SPACE

Just what is it?

Originally the *actual* boiler room at City Tower, it is now a raw industrial space with incredible flexibility.

With the prominent ground floor access, leading to the large double height basement area, it could be almost anything!

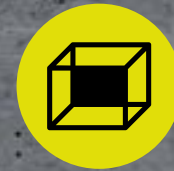

The Boiler Room has class E planning permission, so it could be a cinema, music or concert hall, bingo hall, dance hall (but not a night club!), gym or area for sports and recreation.
